

cashdraw

The Cash Draw is run jointly by Rochdale Conservative Association and Heywood and Middleton Conservative Association.

The draw is made bi-monthly* with 5 numbers being drawn winning £20. Plus every half year** one winner of £50 will be drawn. Each number costs just £15 per year.

On joining you will receive your numbers and the winning numbers for each draw will be shown on our new website.

You don't have to be a member of the party to Join and it's a great way to support the local party, who have to fund all elections and day to day expenses of campaigning.

The Cash Draw is register under the small society lotteries with Rochdale MBC
